If we do agree to your request to be treated as a Professional Client you will lose various protections including the ability to complain to the Financial Ombudsman Service and the right to make a claim under the Financial Services Compensation Scheme (FSCS). Please contact us if you wish to be treated as a Professional Client.

4.4. We have certain responsibilities to verify the identity and permanent address of our Clients under UK anti-money laundering legislation. We will work with your Financial Adviser to ensure they have verified your identity through online verification systems, which use information about you obtained from credit reference agencies and other trusted sources. In using the Platform, you consent to electronic verification. Further details can be found in our Anti Money Laundering policy, which is available through your Financial Adviser.

Your Responsibilities as Client

4.5. You are a Person with a Platform Account and will comply with these Platform Terms & Conditions.

4.6. You must provide us any information that we reasonably require to open and operate your Platform Account, for example, information to help us comply with UK anti-money laundering regulations.

4.7. You should have a Financial Adviser who is appropriately authorised and has registered with us to operate your Platform Account. They will be responsible for providing instructions on your behalf. If you end your relationship with your Financial Adviser and/or appoint another Financial Adviser you must notify us immediately. For further information on the impact of this for you and your Platform Account, please refer to Section 26.

4.8. You will keep your Financial Adviser up-to-date with any changes to your personal details, for example a change of address. So they can update the platform on your behalf (see section 4.9 below).

Your Financial Adviser's Responsibilities

4.9. Your Financial Adviser acts on your behalf in relation to your Platform Account and acts as the main point of contact between you and us. This means your Financial Adviser has authority to provide information and instructions to us on your behalf including changes in your personal details, for example a change of address.

4.10. Your Financial Adviser is responsible for providing you with financial advice and ensuring your Platform Account, the Account/s within it, and your Assets are suitable for you taking into account your personal and financial circumstances, and objectives.

4.11. Your Financial Adviser will also administer and manage your Platform Account in line with your agreement with them. This may, for instance, include the trading of Assets and/or the appointment of a Discretionary Fund Manager to conduct certain

activities in relation to your Platform Account.

5. CASH PAYMENTS

- 5.1. All Cash payments must be made in sterling.
- 5.2. Lump sum and regular contributions must be paid into your Account electronically.
- 5.3. If a Direct Debit is rejected by our Custodian's Bank, we will remove the payment amount from your Account. We will not be liable to you for any loss you may suffer arising from this.
- 5.4. You can make a payment into your Account electronically by BACS, CHAPS and Direct Debits. All payments must be made from a UK bank account in your name (either your personal or joint bank account), which is held on the platform as your nominated bank account.
- 5.5. Payments should also quote your Client reference number and the Account to which you wish the payment to be applied. If we are unable to identify the Account a payment should be paid into, the payment will be returned to the originator within 10 Business Days. No interest will be paid on the payments returned. We will not be liable to you for any loss you may suffer arising from this.

6. TRANSFERS BETWEEN PLATFORM ACCOUNTS AND INVESTMENT ACCOUNTS

- 6.1. You authorise us to accept Cash transfer requests from your Financial Adviser. This includes:
 - 6.1.1. transfers between Accounts within your Platform Account, and
 - 6.1.2. transfers from your Platform Account to another Platform Account belonging to another individual, for example, a member of a Family.
- 6.2. Your Financial Adviser must obtain your authorisation to conduct transfers from your Account/s and for ensuring any transfer is in accordance with the Applicable Law. We do not accept any liability for any tax or other Charges that apply to or arise as a result of any transfer made.

7. IN-SPECIE ASSET TRANSFERS / RE-REGISTRATION

- 7.1. You may be able to transfer-in existing assets held in your name from another provider, into your Account, where the terms of the Account/s you have with us permit this.
- 7.2. In-specie transfers or re-registering assets depends upon us offering exactly the same assets and share classes in the Accounts to which you want to re-register them as those which you currently hold. We are not obliged to offer the same assets or share classes to you on our Platform.
- 7.3. We will not charge you for In-specie transfers or re-registering assets, where this is possible.
- 7.4. If you choose to transfer existing assets into your Account/s from other parties, we will rely on those third parties providing adequate and accurate

information regarding your assets. We cannot be held liable for any loss or damage suffered by you that are incurred due to inaccuracies, delays or failures by these third parties in providing us with information or the assets themselves.

8. OWNERSHIP AND CUSTODY OF CASH ON THE PLATFORM

- 8.1. Cash will be held in our Custodian's Client Account in accordance with the FCA client money rules. Cash held in such Client Accounts will be segregated from IronBright's and the Custodian's own monies.
- 8.2. The Cash held within your Account/s will be registered in a pooled account. It is our responsibility, along with the Custodian, to ensure that records are maintained and reconciled regularly to identify cash belonging to each of our Clients.
- 8.3. Client Accounts are held under trust with a carefully selected deposit taker (e.g. a bank or building society). This deposit taker is covered by the FSCS. If the deposit taker is unable to meet its obligations in relation to the monies held in its Client Accounts, any shortfall may be covered up to the applicable FSCS limit for the authorised deposit taker. For further information on FSCS please refer to Section 33 of these Platform Terms & Conditions, entitled 'Compensation'.
- 8.4. Cash belonging to Clients is always held separately from our accounts and from those of our Custodian. As such, should we be wound up, your Cash will remain yours and any administrator should be obliged to return that Cash to you as part of the wind-up process.

9. INTEREST ON CASH

- 9.1. Any cash held within your Platform Account will not attract any interest.
- 9.2. Until a deposit has been identified as relating to your Account, it will not form part of your cash balance.

10. CASH BALANCE

- 10.1. You must hold a Minimum Cash Balance in each Account in order to meet Charges.
- 10.2. You must have sufficient Cash in each Account to meet all fees and charges, for example Adviser Charges, DFM Charges and IronBright Platform Charges.
- 10.3. If your Available Cash Balance is below the amount required to meet any fees and charges, we will sell part of your Assets to restore the Available Cash Balance.
- 10.4. We will not accept any liability where a sale under 11.3 above is made at a disadvantageous time, has a material effect on the balance of Assets within a Portfolio, or if you incur any tax liability.
- 10.5. Where we are required to sell Assets to

restore your Available Cash Balance, we will:

10.5.1. sell enough Assets to restore the Available Cash Balance. If there are restrictions imposed on the number of shares / units which may be sold at one time, then the number of shares/units sold may be significantly higher than is required to restore the Available Cash Balance.

10.5.2. sell sufficient Assets from your largest holding.

11. OWNERSHIP AND CUSTODY OF ASSETS ON THE PLATFORM

11.1. By agreeing to these Platform Terms & Conditions, you authorise us to direct and instruct our Nominee to carry out some of our responsibilities under these Platform Terms & Conditions. This includes arranging for our Nominee to have custody of your Assets.

11.2. Our Nominee will arrange to keep your Assets separate from our own assets and from those assets belonging to the person with whom we place the assets. As such, should IronBright be wound up, any administrator should be obliged to return your Assets to you as part of the wind up process.

11.3. Your Assets will be registered in the name of the Nominee, who will be the legal owner, but will be beneficially owned by you at all times. This means that the Assets will continue to belong to you if our Nominee becomes insolvent.

11.4. Our Nominee is not an authorised person under the Applicable Law and exists only to hold Assets and does not carry out any other business in its own right.

11.5. We reserve the right to change our Nominee or the structure of our Nominee account in accordance with Section 27 'Changes to these Platform Terms & Conditions'.

11.6. Any documents relating to the custody of Assets evidencing title (or the equivalent electronic record) will not be lent to third parties or used as security for borrowing.

11.7. IronBright accepts responsibility and liability for the acts and omissions of the Nominee and therefore IronBright will be liable for any loss to your Assets where that loss arises out of the Nominee's fraud, wilful default, negligence or breach of its regulatory obligations.

12. BUYING AND SELLING ASSETS VIA THE PLATFORM

12.1. We offer a variety of Assets for you to invest in that may vary from time to time including:

12.1.1. Funds; and

12.1.2. Exchange-Traded Assets.

12.2. Not all of the Assets available on our Platform are available on all Accounts.

12.3. There are risks associated with investing which depend on the Assets in which you choose to invest. For more detailed information please refer to

the IronBright Platform Key Features document as well as the relevant documentation for your chosen Assets, such as a Key Investor Information Document. Your Financial Adviser is responsible for ensuring that any Assets that you choose to invest in are suitable for you, that you are eligible to invest in that Asset and if there is anything that you do not understand or agree with, you should discuss this with your Financial Adviser before investing. The fact that an Asset is available does not imply that the Asset is suitable to your needs.

12.4. We may add or remove the Assets available to you through our Platform at our sole discretion.

13. INSTRUCTING US TO BUY OR SELL ASSETS

13.1. Order instructions to buy or sell Assets must be provided through your Financial Adviser or DFM. Please see our Order Execution Policy for more information.

13.2. When your Financial Adviser or DFM ask us to buy or sell Assets, it is their responsibility to ensure that there is sufficient Cash in your Account. We are not responsible for any loss you may suffer due to a delay to the processing of your order caused by there being insufficient Cash in your Account. We will only place an order on your behalf once Cash is available in your Account.

13.3. You agree that your Financial Adviser or DFM is authorised to provide us with instructions on your behalf. It is up to your Financial Adviser to make sure, where relevant, that an appropriate DFM agreement is in place (either between the DFM and the Client or the DFM and the Financial Adviser acting as agent on behalf of the Client) allowing a DFM to act on your behalf. We will not be responsible for deals placed by a DFM without your or your Financial Adviser's authority.

13.4. Instructions to us to buy and sell Assets on your behalf will be transacted directly with the third party concerned (e.g. a Fund manager), in accordance with our Order Execution Policy.

13.5. We will exercise all reasonable professional care in the execution of deals and selection of brokers, bankers and other third parties whom we may from time to time instruct or retain and we shall incur no liability whatsoever to you for any loss or diminution in the value of Assets. If we make an error, we will correct your Investment Account for all items in excess of £5 at the earliest opportunity. We will ensure that our action to correct the matter will be fair to you.

13.6. By opening an Account with us you consent to our Order Execution Policy. As explained in our Order Execution Policy, you authorise WBS to execute transactions on your behalf outside of an EU regulated market (such as an Exchange or multilateral trading facility) where appropriate.

13.7. Some orders may be aggregated, and a bulk deal placed. Our Order Execution Policy governs the placement of this deal. When orders are disaggregated, there may be penny rounding

differences which cannot be allocated at a Client level. Where this occurs, Seccl will pay any such rounding's to their chosen charity annually.

13.8. You may be able to instruct your Financial Adviser to cancel an unexecuted order on your Account via the Platform. However, please note that there may be a slight delay between the order being executed and it then being removed from the list of pending deals on the Platform. It may not therefore always be possible to cancel an order shown as pending. And in that case, you may have to buy or sell the Asset again (as appropriate) and you may not get back the original value of your investment.

13.9. We or WBS may cancel a transaction without notice where it is believed there is a valid reason, including where we or WBS are requested to do so by a third party involved in executing a transaction such as an Exchange or a counterparty. We will not be liable for any loss you incur as a result of the cancellation in such circumstances.

13.10. We and WBS reserve the right to reject an order. For example, levels of trading are actively monitored and acceptance of orders from Clients who have a history of excessive trading or whose trading has been disruptive may be refused.

13.11. Certain Assets may have a minimum trade value. Consequently, a trade placed for less than this amount will be rejected by removing it from your Account and we will inform you or your Financial Adviser.

13.12. In instances where a payment to your Account is unpaid for any reason, you will be held accountable for any loss that may arise due to market movement.

13.13. You are not permitted to trade to take advantage of Market Timing. We and our Custodian will discuss suspected Market Timing activity with relevant third parties (such as Fund managers and stockbrokers) and adjustments may be applied after trades to account for major market movements.

13.14. Where there is a need to fulfil due diligence under FCA or UK anti-money laundering legislation we reserve the right to defer Settlement.

13.15. We can only deliver Assets or the proceeds of a sale to your Account/s when we have received these Assets or sale proceeds from the other party to a transaction.

13.16. Due to the time it takes for some transactions to settle in certain markets outside of the UK there may be a delay as to when we receive sale proceeds.

13.17. The proceeds of the sale of an Asset will usually only be paid to your Platform Account or to a UK bank account in your name. In some instances, we may agree to pay the proceeds to another company appointed by you to act on your Platform Account, for example an FCA regulated company or a solicitor that operates a client money account.

13.18. We will place any order in good faith and will assume you have understood that money placed in Assets outside of the UK regulatory regime may not

provide the same protection as those based in the UK. For further information please refer to your Financial Adviser and Section 33.

13.19. Our policy in respect of the use of proceeds from trades is as follows:

13.19.1. Cash proceeds from confirmed (but not settled) sales can be used both on individual and Model Portfolio orders.

13.19.2. For individual and Model Portfolio orders Assets from confirmed (but not settled) buys can be sold. We reserve the right to vary any aspect of the above policy without notice.

13.20. We have discretion to apply Cash to an Account on a day other than a Business Day. After you have made your investment, we may have to adjust your holding (for example, on the basis of instructions received from a Fund manager or counterparty). We will not adjust your holding where the proposed adjustment is £5 or less.

13.21. The Contract Note will be accessible in the Message Hub on the Platform.

14. BUYING AND SELLING FUNDS VIA THE PLATFORM

14.1. Once cleared Cash is available in your Account, we will endeavour to place any trades within the next two Valuation Points. For some Funds the next available Valuation Point may be later than one Business Day after the order has been placed.

14.2. Some Funds available on the Platform are dual priced - the price we trade at for these Funds may be different to the price listed at a particular point in time on the Platform. It is your Financial Adviser's responsibility to research the pricing of any Funds you select.

14.3. Fund managers may automatically correct pricing errors and not inform us if it is below 0.5% of the Fund value. There may be some occasions when your order is sold at the erroneous price and the Fund manager will not correct the price.

14.4. Some Fund managers will only accept purchases or sales to the nearest decimal place as specified by them. In such circumstances there may be small residual amounts of Cash which will be retained within your Investment Account.

14.5. Settlement of a Fund sale will take place once cleared Cash has been received from the Fund manager. Usually this will be no later than 10 Business Days following receipt of all required documentation by the Fund manager.

14.6. Please speak to your Financial Adviser for more information on specific terms relating to Fund trading and pricing.

15. BUYING AND SELLING EXCHANGE TRADED ASSETS VIA THE PLATFORM

15.1. Settlement of Exchange-Traded Asset

transactions will usually be undertaken via CREST. Each CREST transaction will normally be settled no later than 2 Business Days after the transaction date and following receipt of all the required documentation. Settlement of non-CREST Exchange Traded Assets may take place later than 2 Business Days after the transaction date and following receipt of all the required documentation.

15.2. Some Exchange-Traded Assets may only be traded to the lot size as specified by the issuer.

15.3. We cannot accept trades that do not settle in sterling in CREST. Overseas Exchange-Traded Assets available on the Platform must have an arrangement with CREST that allows them to be settled in sterling. If a foreign exchange rate is applied to a trade, this rate will be provided by the relevant third party at the point of execution of the trade.

15.4. Settlement of Over-The-Counter trades will usually take place in accordance with the standard Settlement process (including timescales) for the Assets being settled.

15.5. Prices of Exchange-Traded Assets displayed within your Investment Account reflect the latest daily and end-of-day prices respectively. Some Exchange-Traded Assets price less frequently (e.g. monthly). These prices should therefore only be used as an indicative price. We will reflect gilt prices as clean prices (prices that exclude any accrued interest).

15.6. We will actively monitor Asset price movement and apply controls such as price tolerance checking. For example, where Asset prices moves by greater than 5% from the previous Valuation Point.

15.7. We will not:

15.7.1. deal in suspended Exchange-Traded Assets;

15.7.2. accept short positions; or

15.7.3. undertake stock lending.

16. REGULAR INVESTMENT OPTION VIA THE PLATFORM

16.1. You can make regular monthly contributions into your Platform Account, subject to a minimum of £25 per month which can be kept in cash or automatically invested into Assets.

16.2. Regular contributions can be made on the 7th, 14th, 21st and 28th calendar day of each month or the next applicable Business Day. Partial trades will not be placed. Your Financial Adviser is responsible for ensuring your Available Cash Balance is sufficient five Business Days before a regular investment is due to be made. If your Available Cash Balance is not sufficient, your investment will not take place.

16.3. Investments will be made in accordance with our Order Execution Policy.

16.4. Regular investment instructions will continue to be executed until varied or stopped by your

Adviser via the Platform.

17. DISCRETIONARY FUND MANAGERS

17.1. You have the option to use a DFM to provide portfolio management services in relation to your Platform Account or a specific Account.

17.2. In order for a DFM to provide these services, a DFM must be given access to your Assets via the Platform. Before they can access your Assets or place orders on your Investment Account:

17.2.1. A DFM Agreement must be in place either between your Financial Adviser and a DFM (where the Financial Adviser is acting as your agent on your behalf);

17.2.2. between you and a DFM; or

17.2.3. between you, your Financial Adviser and a DFM (i.e. a tripartite agreement).

17.3. Where appointed by your Financial Adviser, the DFM does not act for you but has an agreement with your Financial Adviser who acts as your agent and instructs the DFM in that capacity.

17.4. Your Financial Adviser must provide us with evidence of your authorisation for the DFM to access your Assets.

17.5. A DFM must also have entered into a separate agreement with us in order to access our Platform. We reserve the right to refuse a DFM access to our Platform but will not do so without having first discussed this with your Financial Adviser.

17.6. A DFM must manage Assets in line with their stated investment powers and limits outlined in the agreement that you and / or your Financial Adviser have in place with a DFM.

17.7. You can appoint more than one DFM to your Platform Account at any one time.

17.8. If you have agreed for a DFM Charge to be paid from your Account, and it is possible for us to do so, we will pay the DFM Charge directly to the DFM.

17.9. Please speak to your Financial Adviser for further information on the use of DFMs (including DFM Charges).

18. MODEL PORTFOLIOS

18.1. Model Portfolios may be created by your Financial Adviser or by a third party DFM. Model Portfolios can then be linked to your Account and your Assets managed in accordance with the Model Portfolios. You can invest some or all of your Assets in a Model Portfolio.

18.2. You must consent to Model Portfolios created by your Financial Adviser where they are not acting as a DFM. Your consent will also be required to any periodic balancing of your portfolio to realign Funds within Model Portfolios or to any changes to the composition of an Financial Adviser's Model Portfolio or you will no longer be able to be linked to a Model Portfolio. DFMs manage Model Portfolios with

discretion, as described in Section 17.

18.3. You may hold Assets in more than one Model Portfolio at the same time within your Account, but where your Account contains different Sub-Accounts, each Sub-Account can only invest Assets in one Model Portfolio at a time.

18.4. When operating a Model Portfolio in which you have invested Assets, your Financial Adviser or a third party DFM may, from time to time, instruct us to buy or sell Assets. For example, they may buy and sell Assets such as Funds to realign these Funds to certain proportions.

18.5. Depending on the investments held within a Model Portfolio, and the timing of confirmation receipts across those investments, there is the possibility that clients within a model may not receive the same execution price for purchases of further investments within the same Model Portfolio, owing to such timing differences. Please refer to the Order Execution Policy for further details of our approach to the handling, aggregation & allocation of client orders.

18.6. If your Assets are no longer linked to a Model Portfolio, you will remain invested in these Assets and no further rebalancing of Assets will take place. Your Financial Adviser can explain the implications of this to you.

18.7. Your Financial Adviser and, where appointed, your DFM, are responsible for monitoring and ensuring that any Model Portfolio matches the predetermined investment strategy and risk profile.

19. WITHDRAWALS AND TRANSFERS FROM YOUR PLATFORM ACCOUNT

19.1. Any withdrawal or transfer requests are subject to the Settlement of any outstanding investment order(s), tax liabilities, and Charges. If we do not know how much the tax, Charges or other amounts will be, we may retain an amount of Cash that we feel is reasonable and appropriate. Any remaining Cash will then be paid to you or transferred out. If payment to you results in full removal of the Investment Account balance (for both Cash and Assets), we will close your Investment Account immediately on settlement of the withdrawal. If payment to you results in full removal of the last Account balance, we will close your Platform Account immediately on settlement of the withdrawal.

19.2. Subject to the Applicable Law for the Account you wish to make withdrawals from:

19.2.1. you can make one-off and/or regular withdrawals;

19.2.2. regular withdrawals can be paid monthly, quarterly, half yearly or annually. They can only be paid into your Nominated Bank Account and will only be paid on a Business Day. Withdrawals must be a specified amount in sterling;

19.2.3. if there is insufficient cleared Cash in your Account on the date that a payment is due to be made, the payment will not be made; and

19.2.4. you can choose how you want Income to be paid to you. Income can be paid to you from your GIA and/or ISA: (a) at a certain frequency (monthly, quarterly, half yearly, or annually); or (b) upon receipt by us of the Income in your Account.

19.3. You may be able to transfer out the cash value of your existing Assets with us, or your existing Assets to another provider (In-specie transfer or re-registration).

19.4. The ability to re-register Assets will depend on the receiving provider offering the exact same assets and share classes in the Account/s to which you want to re-register them. We reserve the right to recover any re-registration costs that we incur in the re-registration process for example, where we have been charged by the new provider.

19.5. Transfer requests may be provided by giving instructions to your Financial Adviser or the receiving provider. In the event of transferring Assets from your Account, you must cease all trading on your Account in those Assets.

20. CORPORATE ACTIONS AND REPORTS

20.1. Assets in which you invest may be affected by Corporate Actions (ie something that will bring about a change in the investments you hold). Some Corporate Actions require a choice to be made in respect of your holdings in a particular Asset, such as a Fund. This is known as an election.

20.2. Where we are aware of a Corporate Action requiring election, we will contact your Financial Adviser or DFM detailing your election options within 10 Business Days of us receiving full details of the Corporate Action. If we do not receive instructions before the election deadline, we will apply the default option as outlined in our communication.

20.3. Where a Corporate Action does not require election, we will inform your Financial Adviser or DFM of the details within 10 Business Days after the effective date of the Corporate Action.

20.4. Where a DFM has been appointed to manage your Assets (such as in a Model Portfolio) all Corporate Action communications will be notified electronically to your Financial Adviser and the DFM.

20.5. If an instruction from you, your Financial Adviser or DFM, and relating to an election, requires additional payment (such as a rights issue) and there is insufficient Cash in your Investment Account, then this additional payment must be provided to us before the election deadline. Otherwise we will exercise the default option.

20.6. If a Corporate Action results in a change to an Asset or creates Assets that cannot be held by us, we reserve the right to return the Asset to you if the terms of the Account allows this. If we cannot hold the Asset we may request that your Financial Adviser or DFM sells or switches out of the Asset before the election deadline. We also reserve the right to return the Asset to you.

20.7. Certain Corporate Actions (e.g.

consolidations) may result in fractional allocations of shares and/or Cash distributions. Where resulting fractional entitlements are received these will be credited to your Platform Account within 10 Business Days of us receiving the cash.

20.8. We will not forward company reports relating to your Assets. These should be obtained from your Financial Adviser, or by yourself directly. We are also unable to pass on to you any shareholder perks relating to Assets held by you.

20.9. We will not contact you, your Financial Adviser, or DFM (if applicable) regarding shareholders' or unit holders' meetings or to vote. If you wish to attend these meetings or vote, please speak to your Financial Adviser.

21. DIVIDENDS AND OTHER DISTRIBUTIONS FROM ASSETS

21.1. Income generated by Assets will be collected by us and paid to your Investment Account,

21.2. We will pay any Income in to your Investment Account within 10 Business Days of us receiving both the cash and a valid tax voucher.

21.3. If you hold non-UK Assets, we will not reclaim any withholding tax deducted on the income.

21.4. As required by the Applicable Law, we will where required report any Income received from your Assets to HMRC.

22. CHARGES

22.1. Charges applicable to your Platform Account will depend on a number of factors including:

22.1.1. the value of your Account(s);

22.1.2. the Account(s) in which you invest;

22.1.3. the Assets in which you invest; and

22.1.4. the terms of your agreement with your Financial Adviser; and

22.1.5. the terms of your agreement with your DFM (where applicable).

22.2. Our charges are set out in the IronBright Charges Schedule available on our platform and form part of these Platform Terms & Conditions. Our charges may be subject to change. For details on when we may change our charges and how we will notify you, please see Section 78 - Changes to these Platform Terms & Conditions.

This will not affect any of your rights to close your Platform Account.

22.3. We apply our charges on the value of the total Assets and Cash held in your Platform Account, this includes any Assets suspended from trading.

23. FINANCIAL ADVISER AND DFM CHARGES

23.1. You must agree with your Financial Adviser the amount you will pay them for advice and other services they provide to you. You must also decide whether any Financial Adviser Charges are to be

deducted from your Platform Account (which we will only do where you have agreed this), or settled directly between you and your Financial Adviser.

23.2. You may have agreed with your Financial Adviser to use a DFM to manage your Assets. There may be an additional Charge for this. This DFM Charge will be agreed between you, your Financial Adviser and your DFM (where your Financial Adviser is not also providing these services). We will deduct any initial or ongoing DFM Charges from your Platform Account.

23.3. If you have a Platform Account from which Financial Adviser Charges and/or DFM Charges are being taken but it no longer has sufficient value to pay these Financial Adviser Charges or DFM Charges, we reserve the right not to pay these Financial Adviser Charges or DFM Charges. You will still be responsible for paying those charges to the party concerned.

23.4. If you die, Financial Adviser Charges and DFM Charges will continue to accrue on your Platform Account until we receive an original death certificate. For further information please refer to Section 28 – 'Ending this Agreement'.

24. OTHER CHARGES

24.1. Other charges may include Fund Charges, and Exchange-Traded Asset Charges. Please speak to your Financial Adviser for further information.

Charges - Funds

24.2. A Fund manager may apply a bid/offer spread or initial charge, an Annual Management Charge, an exit charge on leaving the Fund and other fees. These Charges are usually deducted directly out of the Assets within the relevant Fund.

24.3. Adjustments may need to be made after the sale of a Fund has been executed. For example, a Fund manager may apply a Dilution Levy to the withdrawal from a fund. Under these conditions, we will contact you to explain any such further Charges being applied.

24.4. If a Fund in your Account is small, any Charges relating to the Fund may have a disproportionate effect on the value of the Fund.

24.5. For further details of Charges applied by Fund managers, please refer to their literature or speak to your Financial Adviser.

Charges - Exchange-Traded Assets

24.6. Charges may be applied such as Stamp Duty Reserve Tax (SDRT) and the Panel On Takeovers And Mergers (PTM) levy. For further details of Exchange-Traded Asset Charges please speak to your Financial Adviser.

How Charges are taken

24.7. You must hold sufficient Available Cash Balance (see Section 10) in respect of each Account in order to meet Charges.

24.8. Where the Available Cash Balance within a specific Account has not been restored and there are

insufficient available Assets to cover Charges due, the platform will automatically disinvest from the largest fund in the account to realise sufficient cash to pay fees.

24.9. Where auto-disinvestment isn't available you must settle our charges immediately following notification by us of the amount outstanding. Where you fail to do so we may cancel, terminate and/or suspend your Platform Account with you without any liability to you. If we need to take legal action against you for the recovery of our charges, then you will be liable for any expenses incurred by us in doing so. This includes any legal fees.

24.10. All IronBright, Financial Adviser and/or DFM Charges that we have deducted from your Account will be reflected on your Valuation Statement. However, you may have agreed to pay additional charges for services about which we are unaware. You should consult your Financial Adviser to understand all charges and fees for which you may be liable.

25. TAXATION

25.1. We do not provide you with any legal, investment or tax advice. Please refer to your Financial Adviser or other suitably qualified professional for advice specific to your individual circumstances.

25.2. You will be wholly responsible for your tax liabilities. Levels of taxation and tax relief are subject to change.

25.3. We are required under Applicable Law to collect certain information about your tax residency. We may be obliged to share this and other Platform Account information with HMRC who may transfer this information to the government of another territory where the UK has entered into an agreement with them to do so.

25.4. Except where explicitly stated, all IronBright Charges are deemed inclusive of any taxes that may apply. It is your Financial Adviser's responsibility to confirm whether VAT is to be applied on Financial Adviser Charges paid from your Platform Account to them. Similarly, where applicable, it is your DFM's responsibility to confirm whether VAT is to be applied on DFM Charges paid from your Platform Account to them.

25.5. Where applicable, we will provide you with a consolidated tax voucher each year, based on our understanding of current law and regulatory requirements. We will endeavour to do this within 90 days of the previous tax year end. This may assist you with completing your tax return but please note that it is your responsibility to calculate your tax liabilities accurately and ensure that they are paid. Please refer to your Financial Adviser for further details and advice.

25.6. Should you hold overseas Assets, it remains your, or your Financial Adviser's responsibility to ensure that you understand the tax position for your chosen Assets.

25.7. We will not accept responsibility for not

receiving a reduced rate of withholding tax as a result of incorrect or incomplete documentation.

26. ENDING YOUR AGREEMENT WITH YOUR FINANCIAL ADVISER/DISCRETIONARY FUND MANAGER

26.1. If you change your existing Financial Adviser you must notify us. Any new Financial Adviser appointed by you must sign a separate agreement with us before we allow them to access and manage your Platform Account. We retain the right to approve any new Financial Adviser before they are given access to the Platform.

26.2. We will classify you as a "Client without an Financial Adviser" where it has come to our attention you no longer have an Financial Adviser who is appropriately authorised to operate your Platform Account. This could be where, for example,

26.2.1. Your agreement with your Financial Adviser ends, and you no longer have an Financial Adviser; or

26.2.2. Your agreement with your Financial Adviser ends, and your new Financial Adviser does not have a separate agreement with us to operate Clients on the Platform; or

26.2.3. The agreement between us and your Financial Adviser has been ended.

26.3. Becoming a Client without an Financial Adviser has the following consequences:

26.3.1. We will contact you through the Message Hub on the Platform confirming that you do not have a Financial Adviser and restrict your Platform Account;

26.3.2. We will require you to complete an appropriateness questionnaire should you wish to sell an Asset that is defined by the FCA as a "complex investment"

26.3.3. We will stop paying Financial Adviser Charges from your Platform Account. You may still be liable to pay the Financial Adviser for any advice you have received and you will need to settle this with them directly;

26.3.4. If you are invested in a Model Portfolio, this will end (see Section 18.6).

26.4. Our Platform is designed to be used by Clients who receive financial advice from an Financial Adviser. Where permitted and where you sell Assets without the advice of an Financial Adviser, you take sole responsibility for this action and accept and acknowledge the risks involved in these transactions.

26.5. It is important that you understand we are not responsible for assessing whether our Platform, Accounts, transactions, or Assets are suitable for you – this is the responsibility of your Financial Adviser, or where your Financial Adviser permits you to trade without the benefit of their advice, this will be your responsibility.

26.6. We also, in accordance with Section 13 – 'Instructing us to buy or sell Assets', reserve the right

to reject an order.

26.7. If a DFM has been appointed to your Platform Account, they will continue to have authority to operate your Platform Account until:

26.7.1. your death;

26.7.2. you or your Financial Adviser ends this authority;

26.7.3. we end the authority of the DFM, or Financial Adviser to operate Accounts on our Platform; or

26.7.4. the DFM ends their relationship with us, you, or your Financial Adviser.

26.8. In the event of a DFM or Financial Adviser no longer being associated with your Platform Account, we will stop paying DFM Charges from your Platform Account to the DFM. You may still be liable to pay the DFM for any service you have received.

27. CHANGES TO THESE PLATFORM TERMS & CONDITIONS

27.1. We may change the terms of these Platform Terms & Conditions, including our charges, from time to time in whole or in part. We can do this for the following reasons:

27.1.1. to conform with any legal, regulatory, FCA Rule, HMRC Rule or code or practice requirements or industry guidance.

27.1.2. to reflect any decision or recommendation by a court or the Financial Ombudsman Service.

27.1.3. to allow for the introduction of new or improved systems, methods of operation, services or facilities.

27.1.4. to reflect changes in the cost of providing our services to you, including any direct costs we are required to pay to others.

27.1.5. to reflect changes in market conditions.

27.1.6. to make them clearer or more favourable to you.

27.1.7. for any other valid reason.

27.2. Where we make a change to any terms in these Platform Terms & Conditions (including our charges) which may be to your disadvantage, we will give you at least 30 days written notice. Otherwise we will give you written notice within 30 days of making the change.

27.3. The most up-to date versions of these Platform Terms & Conditions and the IronBright Charges Schedule are available on our Platform and from your Financial Adviser.

27.4. If you are not satisfied with a change, you will be entitled to terminate your Platform Account under these Platform Terms & Conditions and we will not charge you for terminating your Platform Account in these circumstances. However, please note you may still have to pay applicable fees and Charges as outlined in the IronBright Charges Schedule.

27.5. If you do not notify us that you are dissatisfied with any changes to these Platform

Terms & Conditions before the end of any notice period, you will be treated as accepting the change.

27.6. No change will affect any outstanding order or transaction or any other legal rights or obligations which may have arisen before the date of the change.

28. ENDING THIS AGREEMENT

Cancellation

28.1. Depending upon the Account chosen, you are able to cancel your Platform Account up to 30 days after you receive our confirmation of its establishment (your "cooling off period"). However, if you have asked us to invest your Cash in Assets, you may get back less than you have invested and if there is any gain in the value of your Assets up to the point at which you cancel, this gain will not be returned to you.

28.2. You may ask us to put your Cash into an Account for the 30 days of your 'cooling off period', and if you then decide to cancel your Account you will receive back the original amount.

28.3. If you cancel your Platform Account within the cooling off period, we will not refund to you any Financial Adviser Charges, or (where applicable) DFM Charges, deducted from your Platform Account. You will need to discuss with your Financial Adviser and/or DFM about refunding any of these Financial Adviser Charges. Once you have cancelled you may still be liable to pay your Financial Adviser for any advice received and/or DFM for any services provided to you. This may include outstanding Financial Adviser Charges which we have not yet deducted from your Platform Account Financial Adviser and that you will need to settle with your Financial Adviser directly.

28.4. On receipt of written instructions to cancel, we will execute instructions to sell any Assets purchased. We will not return any monies to you until such transactions have cleared.

If you die - Individuals

28.5. If you die, we will deal with your GIA Investment Account as instructed by your personal representatives upon receipt of evidence that they have the authority to give us instructions.

28.6. Upon receipt of a death certificate, we will no longer allow your Financial Adviser to access your Platform Account, buy, switch, redirect or sell Assets, take withdrawals or make any payments to your Platform Account, unless a new agreement is entered into between the Financial Adviser and your personal representative. Your Assets will continue to be exposed to movements in the market and may fall in value as well as rise. We will only accept instructions from your personal representatives - see Section 28.5.

28.7. Platform Account Charges will continue to accrue until all Assets or Cash have been paid to your beneficiaries.

Your Financial Adviser and DFM (where applicable)

28.8. Financial Adviser Charges will continue to accrue on your Platform Account until we receive an original death certificate. If your personal representative(s) choose to retain the services of your Financial Adviser to manage your Platform Account, they will need to provide us with authority for Financial Adviser Charges to continue.

28.9. If a DFM was appointed to your Platform Account, they will arrange for the portfolio to be disinvested and retained in cash. Once this is done they will no longer have the authority to access and manage relevant Assets in your Accounts. We will stop any payments of DFM Charges (where applicable). Your personal representative(s) may still be liable to pay your Financial Adviser or DFM for any advice or service you have received.

28.10. If any Account is invested in a Model Portfolio, it is your Financial Adviser's responsibility to stop your Account from being linked to the Model Portfolio and no further rebalancing of Assets will take place.

29. CLOSING YOUR PLATFORM ACCOUNT

29.1. You may close your Platform Account at any time by withdrawing or transferring Assets elsewhere. We may close your Platform Account immediately if you commit a material breach of these Platform Terms & Conditions. For example, if you commit an act which may be detrimental to our reputation. If we do this, we will write to you to inform you. Otherwise, we may close your Platform Account by giving you at least 30 days' notice via the Platform Message Hub. These Platform Terms & Conditions will end once your Platform Account is closed.

29.2. Notice will take effect immediately upon receipt of instructions by us or you.

29.3. Closure is subject to the settlement of any outstanding investment order(s), tax liabilities, and Charges. If we do not know how much these amounts will be, we will keep an amount of Cash that we feel is reasonable and appropriate to cover such liabilities, and any remaining Assets will be transferred out.

29.4. Following Settlement, we will close your Platform Account and transfer your Assets to you, unless the rules of the Investment Accounts require us to transfer these Assets to another provider. The payment to you will normally be by BACS credit to your Nominated Bank Account.

29.5. Should any payments (e.g. interest, dividends, tax reclaims) arise after closure, we will pay this to you unless such payments amount to £5 or less in which case we will pay it to charity.

29.6. When your Platform Account is closed we will not refund to you any Financial Adviser Charges deducted from your Platform Account. You will need to discuss with your Financial Adviser about refunding any of these Financial Adviser Charges.

29.7. Once you have closed your Platform Account you may still be liable to pay your Financial Adviser

for any advice received and/or DFM for any services provided to you. This may include outstanding Financial Adviser Charges which we have not yet deducted from your Platform Account.

Dormant Platform Accounts

29.8. If at least six years pass and during that period either no instructions relating to any Assets are received for your Platform Account or there has been no activity on your Platform Account (excluding transactions such as payments or receipts of charges, or similar items) we will begin the process of closing your Platform Account.

29.9. We will contact your Financial Adviser as well as yourself via your last known email address and postal address informing you that we intend to close your Platform Account. In accordance with the Applicable Law, we will take reasonable steps to contact you. If we do not hear from you after reasonable steps have been taken, we will sell the Asset(s) under our Order Execution Policy and gift the proceeds to our nominated registered charity.

29.10. This means that we will cease to treat your Cash as client money and you will lose the protection of your Cash being held in our Client Account.

29.11. If at any time in the future you contact us and ask us for payment of Cash or the proceeds from the sale of Assets, we will, once we have checked your identity, pay what is due to you.

32. LIABILITY

32.1. In these Platform Terms & Conditions we have outlined both your own and our responsibilities and liabilities. In this section, we provide further information about our or your liabilities.

32.2. As this is an advised platform you must agree to any advice from your Financial Adviser and therefore accept responsibility for instructions placed and executed by your Financial Adviser or the DFM using the Platform.

32.3. We reserve the right to deduct all Charges incurred under these Platform Terms & Conditions and any other liabilities, from your Assets held in your Platform Account, including those arising from deals placed with third parties upon your instruction. Where possible, we will declare these Charges clearly in advance of your instruction.

32.4. To the extent permissible under applicable law, neither you nor IronBright shall be responsible for any loss or damage suffered by the other party by reason of any natural and unavoidable catastrophes that interrupt the expected course of events and restrict you or IronBright from fulfilling obligations under these Custody Terms ("Force Majeure Event"). If such loss, damage or failure is, or may occur, due to a Force Majeure Event, each party will use reasonable endeavours to minimise the effects and will notify the other party of a Force Majeure Event or potential Force Majeure Event as soon as possible.

32.5. If a party is prevented from performing all or substantially all of its obligations under the Agreement by a Force Majeure Event for a continuous period of 30 days or more either party shall be entitled to terminate this Agreement immediately by giving written notice to that effect to the other Party.

32.6. You will be responsible to us and our Nominee for any liability or loss which we or our Nominee may suffer or incur (including taxes for which you are liable and any expenses reasonably and properly incurred) in the proper course of administering your Platform Account, except to the extent arising from any negligence, wilful default or fraud on the part of ourselves or our Nominee however nothing in these Platform Terms & Conditions shall limit our liability under the FCA Rules.

32.7. offer or solicitation.

33. COMPENSATION

33.1. IronBright is covered by the Financial Services Compensation Scheme (FSCS) in respect of the Platform and the Accounts within it. If you make a valid claim against us in respect of your investments and we are unable to meet our liabilities in full, you may be entitled to compensation, from the FSCS, of up to £85,000.

33.2. Your cash and Assets are always held separately from our own accounts and from those with whom we place the investments. As such, any insolvency practitioner should be obliged to return your cash and investment to you as part of any wind-up process.

33.3. If a provider of any Asset fails financially, as long as the one selected is covered by the FSCS - the fund prospectus will tell you this - your investments should remain covered up to a maximum of £85,000. However, this does not protect you against losses if the market were to fall in value.

33.4. The Banks that our Custodian uses acknowledge your money is held as client money which is protected in the event of the insolvency of IronBright or the Custodian.

33.5. In the event of the insolvency of one of the Banks we use, any client money we hold for you is protected under the FSCS up to a maximum of £85,000 for each client (if the Account is a Joint Account, each Account holder will be entitled to up to a maximum of £85,000 each), and Bank with whom client money is held. This limit is applied to Banks that are separately authorised and can only be applied once, therefore Banks operating under different brands within the same authorisation are covered under the same limitation.

33.6. The compensation limit of £85,000 includes any other money held by you in Bank accounts with the authorised banks our Custodian uses, therefore if you have current or deposit accounts with the same Bank these will all count towards the compensation limit of £85,000. Temporary high balances of up to £1 million are protected for a limited period of 6 months from when the amount was first credited to the account or became legally transferable. The FSCS website has further details on the definition of a temporary high balance.
